## Antioch, Wilmot Tie In Opener 26 to 26; Sequoits at Wauconda

### Conference Season Starts With Sequoits Playing Bulldogs There Saturday

Antioch's Sequoits will open conference play at Wauconda Saturday afternoon after having started the season with a 26-26 tie at Wilmot.

Wauconda has eight returning lettermen, but beyond that the situation is like Antioch—not too much depth.

The Bulldogs opened their season last week with a loss to McHenry 38 to 0, but the score should not minimize the strength of Wauconda. All of the McHenry scores were made on breakaway plays and little gain was made through the Bulldog line, which the new coach H. G. Ewing says should be able to stop Antioch's fullback Don Pyles.

It was Pyles who spoiled a victory for Frank Bucci's Panthers at Wilmot, Wis., last Friday night. He smashed through Wilmot's line for three touchdown runs in the second half and then passed to Dressel for the extra point that tied the Panthers at 26-all.

Wilmot scored two touchdowns in the first quarter and it appeared as though the Panthers were headed for a certain victory. Tom Dicklin scored the first TD on a one-yard plunge, and Gary Held passed 34 yards to Wally Partenheimer for the second one.

In the second quarter Held sprinted 49 yards for the Panthers' third touchdown.

Antioch's first touchdown came in the second quarter on a 22-yard dash by halfback Vince Nauseda. Nauseda was an ever threat to Wilmot, his elusive and slippery running totalling 95 yards or nearly 7 yards on each attempt.

It was Pyles' 200-pound weight, crashing through for a total of 194 yards in 17 attempts or 11 1/2 yards on each try, that offset the machine-like gains of the Panthers.

Much credit, however, must be given to the Sequoit defense which nullified the passing attempts of the Panthers. Held's touchdown toss was the only successful pass for Wilmot in nine attempts.

With Wilmot leading 20 to 6 at the end of the first half, the Antioch team changed its attack in the second half to take advantage of the Panther weaknesses.

Late in the third quarter, with the ball on the Wilmot 44-yard line, Pyles carried the ball to the 27 on two blasts and then pounded through the Panther defense for a touchdown. The extra point was missed, and the score stood 20-12.

In the fourth quarter Antioch got (continued on page 7)

## Central Committees Meet Tonight to Talk Forest Preserve Ballot

Mrs. Helen Burke, Republican committeeman at large, and Charles Larson, local committeeman, expected to attend a joint meeting of the Republican Central Committee and the Democratic Central Committee at the court house in Waukegan tonight when the Forest Preserve proposal will be discussed as a referendum matter.

Voters of Lake County will be asked to ballot in November on a proposal to approve a tax to establish forest preserves in Lake County like those in Cook County, thereby preserving natural woodlands and streams for coming generations. Last Saturday the Republican representative committee met at the office of Atty Joseph Sikes in Grayslake and organized with Sikes as chairman and Mrs. Burke as secretary.

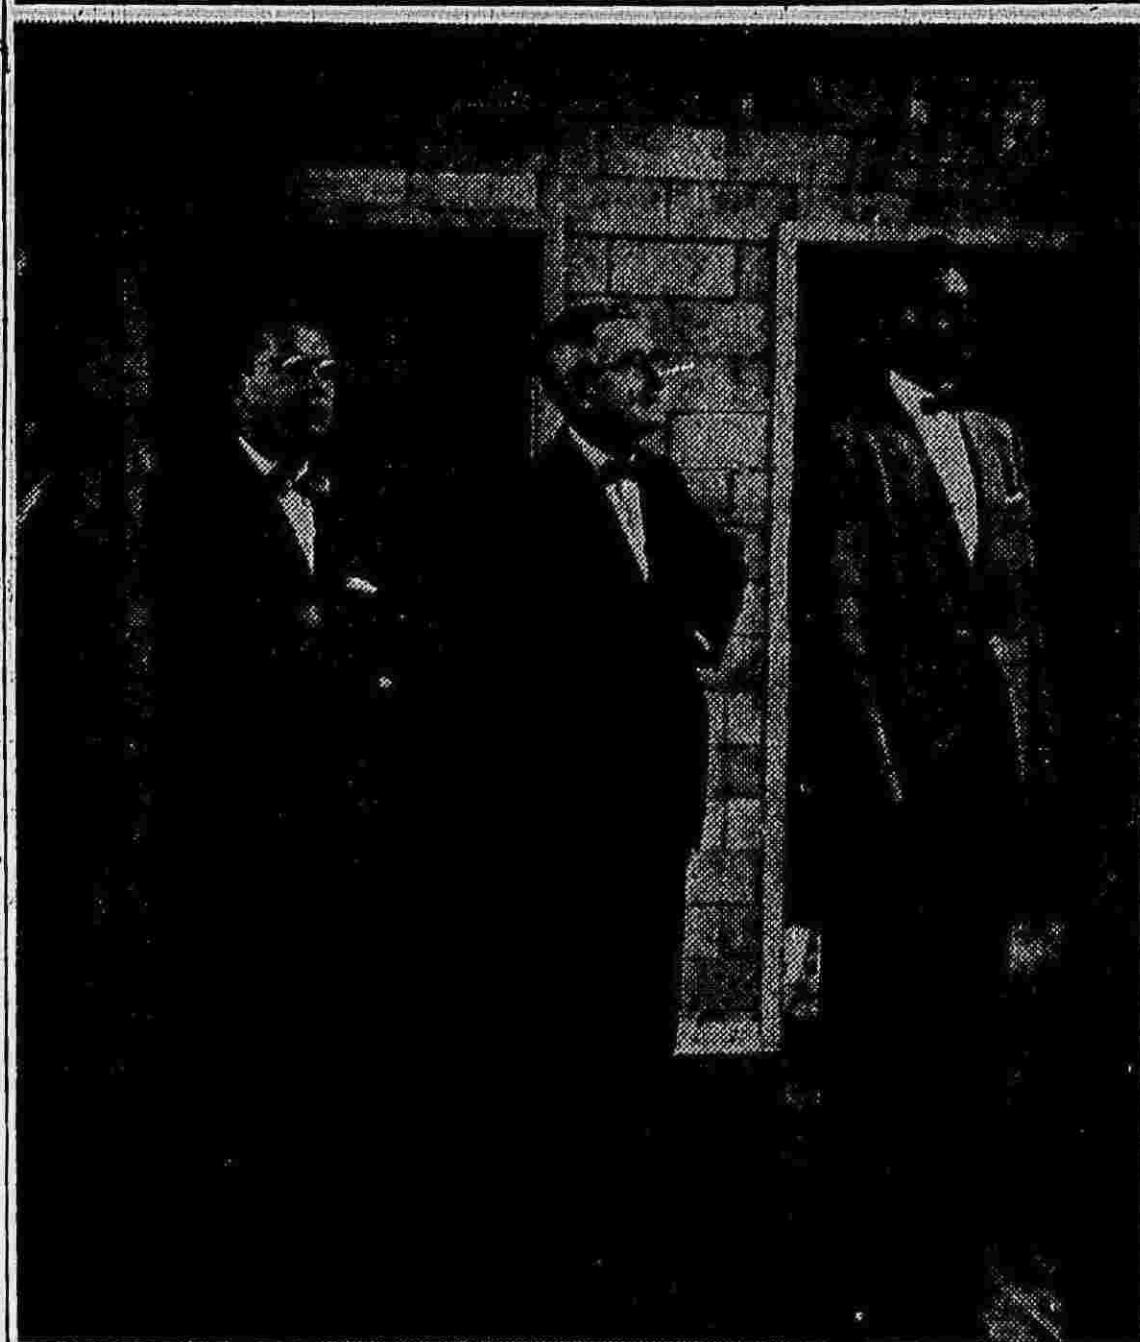

## Lakes Tile Gets Championship of First Antioch Men's Softball Race

Steady pitching and hitting when it counts brought Lakes Tile to the behind to give them the championship of the Antioch Men's Softball League this week.

Play ended Sunday on the Antioch Little League diamond with the Elmer Eberman team winning 13-8 over Golf View Motel and taking the round-robin trophy. The previous week the Lakes team won the second half championship over Elmer's Standard Service by coming from behind to a 7-6 victory.

The meteoric rise of the Lakes team is shown in its record of 12 consecutive wins to end the season after tying for fourth in the first half and dropping the first pair of

## Registration for Voters at Polling Places From Noon to 9 p.m. Sat. or With Supervisor

### Turner Dog Warden

Wilbur Turner of Channel Lake started last week as dog warden with duties to cover all of Lake County outside the incorporated areas.

The job was created through efforts of the County Home Committee of the Board of Supervisors of which Lloyd Murrie of Antioch is chairman.

## Oakland, Ill. Motorist Critically Hurt in Crash On Rte. 45 at Millburn

A motorist identified through service discharge papers as Jerry L. Johnson, 21, of Oakland, Ill. was critically injured at 3:30 a.m. yesterday when his car crashed into a tree a half-mile north of Millburn.

The Antioch Rescue squad removed the unconscious man from the wreckage and then placed him in a Safeway Ambulance which happened to be nearby and sent him to Victory Memorial Hospital in Waukegan.

Johnson was driving north on Rte. 45 near Millburn when he apparently lost control of the automobile which crossed to the opposite side of the highway and struck a tree about 400 feet from the point where the automobile left the pavement.

Police said the car, a 1958 model, was a total wreck. The sales tax for June for Antioch amounted to \$4,547.39, which will come in very handy in augmenting village expenses. This is in excess of that received by Zion and Fox Lake, and twice as much as that of Grayslake.

### School Tax Money Received

Antioch Township schools received \$110,400 of the 1957 tax money Tuesday from the county tax collector, Guy Lunn, according to Helen M. Nelson, treasurer. It was badly needed for current expenses by most of the schools.

Games in the second half. After that, Bill Grennell's coaching was unbeatable.

However, coaches can't win games and Coach Grennell gives credit for field excellence to pitchers Al Hennings and Bob Damoto and hitting of Demoto, Wally Ring and Pres Reckers.

The first year of play in the new softball loop was pronounced a success by sponsors and founders, Bob Becvar, Fred Popp, Jim Prader, Al Wegner, Jim Brodie, Tom Griffin, Bob Amore, Jim Ferris and Ferris Scharton. Don Chiappetta scheduled the games, was commissioner, managed Bussie's Tavern and was chief umpire.

Are you registered so that you can vote in the Nov. 4 election?

If you were registered, have you changed your place of residence, or has your name been changed through marriage?

Saturday will be the time for registration and Illinois citizens will have opportunity from noon to 9 p.m. on that day to register at their polling places.

Township Supervisor Lloyd Murrie said today that registration places in Antioch Township will be: Precinct 1—Antioch Fire station. Precinct 2—Village Hall. Precinct 3—Lotus School. Precinct 4—Grass Lake Scout Home.

Precinct 5—Channel Lake School. Precinct 6—Emmons School.

Regular poll officials will be present at these places and since the county is going to such expense to provide a place to register it is up to the prospective voter to enforce his right of franchise by registering.

Voters who cannot register Saturday may register at Supervisor Murrie's office at the Standard Service Station in Antioch up to and including Oct. 6. After then it will be too late.

A person who meets the residence requirements and who will be 21 years of age on or before Nov. 4 can register.

Supplies for registration are made available by Eva Palmer, registration officer, County Clerk Garfield R. Leaf announced.

Lake Villa Township Polls Edward Tiede, Lake Villa Township supervisor announced that the same conditions for registration prevail in Lake Villa Township as in Antioch Township, and the five voting precinct polling places where registration will be conducted Saturday are:

Precinct 1—Village Hall. Precinct 2—Fox Lake Hills. Precinct 3—Lake Villa Grade School. Precinct 4—Venetian Village Civic Building. Precinct 5—American Legion Home, Lindenhurst.

## Groundbreaking Monday For N.I.C. Buildings

Ground Breaking Ceremonies will be held at 10 a.m. Monday for Northern Illinois Gas Company's new district headquarters at Crystal Lake, according to Clem Jones, district manager of the utility that serves the Antioch area.

The new headquarters will comprise three modern, one-story, masonry, steel and glass buildings, containing more than 23,000 square feet of gross area. Gaslights will illuminate the blacktopped entrance roads at 77 E. Woodstock St. in Crystal Lake.

### Salem Enrollment Up

Salem Central High School has an enrollment of 516 students this year, a substantial increase over last year. The enrollment by classes is Freshmen, 168; Sophomores, 133; Juniors, 132; and Seniors, 83.

### Antioch Camp Host To Royal Neighbors Tuesday at A. L. Hall

Ten Camps Will Attend Day-Long Convention; Dir. Anna Cooley Guest

Mrs. Anna M. Cooley of Moline, Ill., a member of the Board of Supreme Directors of Royal Neighbors of America, will be a guest at the Lake County convention of Royal Neighbors in Antioch next Tuesday. The convention will be held at the American Legion hall.

The afternoon session consisting of the school of instruction will convene at 1 p.m. and close at 4:30 p.m. Dinner will be served at Wesley hall, Antioch Methodist church at 5 p.m. and the evening session will convene at 7:45 p.m.

Ten camps are to answer to roll call at the evening session. They are Cedar Lake Camp, Lakeside Camp, Willard Camp, Highland Park Camp, Waukegan Camp, Grayslake Camp, Lake Forest Camp, Wauconda Camp, Russell Camp, and Arbutus Camp.

The evening program will open at 7:30 with Oracle Marion Kleven in charge. There will be music by Deborah Van Patten, followed by formal introduction of guests by

Mrs. Anna M. Cooley Myrtle Stowe. Irma Hostettler will give the prayer.

Entertainment will be provided by Lindann's Marionettes.

Formal entry will be presented by Olson Camp 459, Antioch, after which the roll call will be given.

Contributions to a worthy cause will be made in a "Sunshine March." This will be followed by a memorial to the dead under the title "Lest We Forget," conducted by Willard Camp.

After non members retire there will be an initiation of candidates. Director Anna Cooley will then give the main address.

Comments will be made afterward by Deputy Gladys Ames.

Extinguishing the campfire will take place and refreshments will be served.

## Boat Races Sunday Drew 1,500 Crowd At Fox Lake Resort

The Chain of Lakes boat races Sunday at the Fox Lake Pirate Base Resort drew a crowd of about 1,500 persons.

There was an hour marathon, free-for-all race for both inboard and outboard boats.

In the inboard race, Kramer Boat Co. won first place. That entry had a Johnson boat and 78 h.p. Mercury motor.

Joe Moulis won second prize with an Owens boat and 35 h.p. Evinrude motor.

Third prize went to Albert Gallert in a Switzer Craft boat, and 50 h.p. Evinrude motor. Gallert was winner of the 100-mile marathon in 1929, winning 1,000.

### Inboard Races

In the inboard free-for-all one hour marathon, first prize went to Boat No. 5 "Quickie"; second place to Joe Moulis' Rumrunner No. 7; and third to Robert J. Bartel, Fox Lake lawyer and real estate man.

### Alert for Check Forger

Business men of this area are alerted to be on the lookout for a check forger who stole blank checks from the Arlington Heights Floor Covering Co. He used the name James McFarland at Grayslake where he wrote a check for \$77.

### Thief Gets Golf Outfit

James D. Jensen, 626 North Ave., Antioch, has little use now for a pair of golf shoes.

He explains this saying his golf bag with seven clubs and his golf cart were stolen this week from his station wagon while it was parked in Lake Villa. Loss \$200. Only the shoes were untouched.

"The thief can come back and get the shoes too—I haven't much use for them now," he commented.

## Hear Own Voice On the Telephone At Open House

Ever wonder what your own voice sounds like on the telephone?

Residents of Antioch soon will have a chance to find out. Illinois Bell is holding "Telephone Community Night" in Antioch next week, and a recording machine called the "voice Mirror" will be one of the displays.

The Antioch Township High School Gym, 1133 Main st., will be the scene of the festivities on Sept. 23 and 24. The program begins at 8:00 p.m. with a free color movie that will take viewers on an historical tour through Illinois.

Hosts for the two evenings will be: Mrs. N. Reichardt, chief operator; R. N. Hawkinson, manager; E. O. Sullivan, wire chief and the telephone people who provide telephone service in Antioch.

"Telephone Community Night," explained Manager Hawkinson, "is really a telephone company 'Open House' which we're holding in a more spacious location than the telephone exchange building. Nevertheless, we're going to take all our visitors 'behind the scenes' and show them how their telephone system works. There'll be displays, exhibits and demonstrations of all kinds."

Included in the exhibits will be an operator's switchboard that works, a demonstration of how Illinois Bell men splice together hundreds of wires in a telephone cable, and an "electronic brain" which will play tic-tac-toe against the visitors (and hasn't lost a game yet!).

"Our guests," said Hawkinson, "also will see some of the marvelous advancements which are being made in telephone science. There'll be free refreshments... and everyone is invited. We've all been planning the Antioch party for a long time, and we're certain everyone will enjoy themselves!"

### Starts Pre-Medic Work

James Berke, son of Dr. and Mrs. A. N. Berke will start his pre-medical studies at Northwestern University this week. He has received an honorary scholarship to that university.

### Clerk Takes Vacation

Village Clerk Clarence Shultis and Mrs. Shultis will leave Sunday on a two-week vacation which will take them north to the Straits of Mackinac. Treasurer Mrs. Martha Hunter will be in charge of the clerk's office in the meantime.

### Community Club Program At Salem High School Next Wednesday Night

All parents and friends of Central High School districts are cordially invited to attend the Central Community Club's first meeting of the school year which will be held at 8 p.m. next Wednesday.

The Community Club is a local organization which is similar in many respects to a regular P.T.A. The purpose of this organization is to promote the welfare of Central High School with regard to scholarships and recognition of awards, athletic banquets, and special school equipment for its students.

The program calls for a brief business meeting, remarks from the administrators, introduction of teachers, comments from Badger Girls, Badger Boys, and the Wisconsin Music Clinic which were sponsored by the Community Club.

An educational film, "Mike Makes His Mark" will be shown, after which there will be a luncheon and visiting.

Mr. and Mrs. Herbert Prange of Loon Lake Road at noon today flew to Missoula, Mont., where their son, Lawrence Eugene, 20, has been reported lost four days in the rugged and cold Mission Range Mountains.

According to Mrs. Ellen Weaver, sister of Mrs. Prange, the family received word this morning of the failure of two search parties to find Lawrence. He is a junior at Montana State University at Missoula, majoring in anthropology.

Circumstances surrounding the youth's disappearance were sketchily reported to the Pranges, Mrs. Weaver said, but it is certain that:

1. Young Lawrence went alone Saturday on a field trip and was to have reported in Monday;

2. He was accompanied by a hunting dog and had two rifles in his possession;

3. Two search parties including a helicopter Wednesday had failed to turn up a trace of the missing man.

Still to be explained was why the search for young Prange was not begun until two days after he was to have reported at the school.

Mrs. Prange was first notified of her son's failure to show up by a Chicago newspaper Thursday morning. She later talked twice to the Dean of the Montana University, Mrs. Weaver said.

The Pranges were scheduled to arrive at Missoula about 9:30 Thursday night. Mrs. Weaver was keeping a vigil by the Prange telephone for latest word.

## Antioch G. O. P. Club Seeks 1,000 Members; To Meet on Oct. 1

Ted Kaptain, secretary of the Antioch Township Republican Club announced today that the next regular meeting of the club will be held at 8:30 p.m. Wednesday, Oct. 1, at the American Legion hall.

There will be a fellowship hour from 8 to 8:30 and following the meeting refreshments will be served.

"A membership campaign is in progress," he said, "Our immediate goal is 1,000 members."

Kaptain urged voters to become members of "an organization dedicated to those who labor in the Republican tradition of freedom and justice and the dignity of man; to those Republican officials and candidates whose qualifications and record of public service insure good government for years to come."

"Your right to vote is sacred, but your obligation is to learn first hand the qualifications of candidates; to hear discussed the issues at hand on county, state and federal levels; to meet with and talk to candidates who aspire to public office," he continued.

"These things we offer along with fellowship, good will, and that warm secure feeling you get when you are something more than just a citizen," he concluded.

The club's mailing address is Box 555, Antioch.

Lenore McCord, daughter of Mr. and Mrs. Harold McCord, Grand Ave., left last week to enter the University of Illinois, where she will resume her studies for her junior year.

The Sox won the Little League championship by defeating the Tigers 8 to 0 in the playoff Sunday. The Sox, sponsored by Lake County Heating Co., and managed by Babe Carter, and the Tigers sponsored by the State Bank of Antioch and managed by Jack Fields played before a large crowd of Little League fans.

Extra base hits by the Sox spelled defeat for the Tigers, who although getting 10 hits failed to get to Ray Mar's offerings when they had men on base.

Winning trophies for the teams and sponsors, and the valuable player awards will be presented later this month, and the results of the election of new officers of the League will be announced next week.

The Antioch Little League organization provided baseball for approximately 225 boys this summer. There were two Babe Ruth teams, six Little League teams, and about six minor league teams.

The successful program was carried out through the able assistance of the many mothers and fathers of Little Leaguers who gave their time and hard work.

### That Wage-Price Spiral

In discussing the wage-price spiral and its relation to the value of the dollar, William A. McDonnell, president of the Chamber of Commerce of the United States, said: "The exclusive emphasis on wages as a source of purchasing power is a fallacy."

"Wage increases affect only a part of the people while the resulting price increases affect everyone. For some persons, purchasing power may be increased, but for most persons, it is reduced."

Mr. McDonnell called on business and labor leaders to work toward halting the wage-price spiral "which has been discouraging consumer buying."

### Lesson of the Recession

According to news reports, business and employment are picking up. This is good news. But the recession of the past few months reveals something that deserves a lot of thought by all who value the ideal of individual freedom. That something is the new relationship between government and private citizens. At the first sign of down-turn government was called upon to "do something" in an economy supposedly dedicated to the principle of the free market and competitive enterprise. The first reaction to recession was an instinctive attempt to pass the initiative to the central government. And why not?

For more than a generation, the philosophy of the welfare state has been assiduously promoted. At the same time corporation taxes, social security taxes, personal income taxes, excise taxes, taxes by the score have soared to the point where the average person spends approximately a third of his productive hours working to pay them.

Aside from, psychological conditioning for acceptance of the welfare state, neither individuals nor businesses under present tax laws are permitted to retain enough of the money they earn to cushion themselves against normal exigencies. Basic in-

dustries, which furnish the necessities to an expanding population are faced with an increasingly grim problem which can be described in three words—inflation (or rising costs), taxes and over-regulation. These three evils are slowly backing the free market private enterprise system into a corner.

The recession brought demands for tax cuts. They will have to come. But there also will have to be tax reform to rebuild some of the strength and resiliency of our people and industries to meet the inevitable ups and downs of a free market, free enterprise country.

This is the lesson of the current recession.

### Scratching the Surface

A pending bill in Congress is designed to cure certain abuses of the type disclosed by the McClellan Committee, and to give protection to the rank-and-file of union members. It would require union leaders to file detailed financial statements, along with detailed statements on union procedures and practices. Union officers would be required to be elected by secret ballot and to hold office for a limited time.

Such reforms as these are no doubt needed. But much more needs to be done and must be done if the public-workers included—is to be protected against arbitrary and unjustified union power. This bill only scratches the surface.

For example, it does nothing about organizational picketing and secondary boycotts. Time and time again these weapons have been used against business establishments far removed from the seat of labor troubles concerned. The pickets, commonly, are not and have not been employees of the businesses in question. These tactics can be ruinous to such businesses as retailing. A store can't operate unless goods can move freely in and out. And business lost is never regained—the customers who are frightened off go elsewhere.

Another urgent need is to give state courts greater authority in labor disputes—an authority they used to have, but which has largely been preempted by the Federal government. As matters stand now, it is common for businesses to find themselves deprived of access to any court for relief or protection against unfair union labor practices.

These reforms, it should be noted, would be of particular service to small business—the kind of business which lacks the resources to keep going in the face of "blackmail" tactics. The unions would not be denied any legitimate right. They would, instead, simply be compelled to meet standards of conduct imposed on everyone else. The union member himself and his family would undoubtedly benefit.

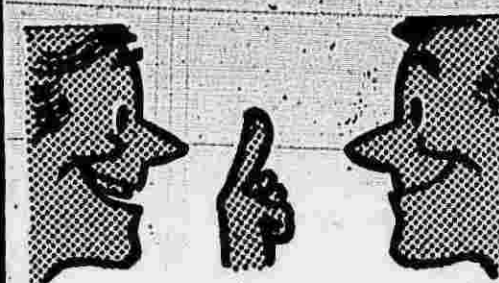

any office on the basis of their leadership, dependability, cooperation, services to school, cooperation and scholastic average. Each student must maintain at least a "C" average to hold his office after once having been elected.

### Varsity Cheerleaders At Antioch Twp. High

Varsity cheerleaders at Antioch Township High School this year are: Judy Maleck, head cheerleader; Elaine Christensen, Sharon Dittman, Jill Gaston, Charlene Keulman and Lynn Veessenmeyer. These cheerleaders were chosen last spring by the student body and will serve for the 1958-59 season.

During the summer, the cheerleaders attended the cheerleading camp at Illinois State Normal University and received first place ratings daily in every cheerleading competition against other schools. A cheerleading clinic will again be attended this fall by the entire squad.

### School Alumni Pictures On Display

Standing in the main hall of Antioch High School is a multiplex display stand. The stand is made up of swinging glass wing panels which are used for the purpose of displaying important pictures of the graduating classes of yesteryear. The multiplex was purchased by the Board of Education two years ago to preserve the class pictures and the display has been a most popular attraction to students and visitors to the high school. The students have spent many hours examining the pictures and happy to have a look at mom and dad when they graduated from the local high school several years ago.

The pictures that are on display consist of the graduating classes of 1931, 1934 through 1941, 1944, 1949 through 1958. One can readily see that there are certain gaps and because these pictures are not available they cannot be displayed. However, Mrs. Wilma Gibbs, filled one of the gaps recently by bringing to the high school office the picture of her graduating class of 1933. The class of 1933 just recently held their 25th class reunion. The high school was most happy to get the picture and a reproduction is being made and will be on display before too long.

Other Antioch High alumni are encouraged to browse through their attics to see if they too can fill any of the gaps mentioned above. The high school will be happy to reproduce these pictures at no cost to the individual or at no cost to the local high school.

## Salem High to Share In Science Library

Science will be emphasized, underscored and pointed up during the current year at Salem Central High School.

Principal A. H. Erickson's application for participation in the Traveling High School Science Library Program has been accepted by the American Association for the Advancement of Science, and 200 outstanding, evaluated, up-to-date "best sellers" type books in the sciences and mathematics will circulate to the school library from Washington, D. C.

All branches of science will be covered and the reading level will range from books the brilliant junior-high student will find interesting to some that will give the outstanding high school senior a taste of advanced work. The collection lists for more than \$1,000.

The idea for this experimental program, aimed at interesting more students in scientific and technical careers, originated with the National Science Foundation, an agency of the Federal Government established in 1950 "to promote the progress of science." The AAAS was requested to administer the program.

The AAAS was organized in 1848 and is the oldest national scientific society. It is a federation of 279 scientific and professional societies and has over 56,000 individual members. It accepted the NSF grant, and in 1955 selected and administered the first library of 150 books which circulated to 66 schools. From this modest beginning the program has expanded until during 1958-59 the library will go to about 1,400 schools in every State in the Union, Hawaii, Alaska, The Canal Zone, Puerto Rico, the American Community School of Paris (France), and U. S. Army dependents' schools in France, Germany, Italy and Okinawa.

The 200 books are circulated 50 at a time to four high schools in geographical proximity, the cases rotating every two months. In this way new titles with a fresh appeal to the eye and mind appear periodically. The books in their traveling cases are on display in the school library, and representatives of P. T. A., civic groups, service organizations and interested individuals are invited to examine them.

## ON THE BIBLE SIDE

EMANUEL THIELE

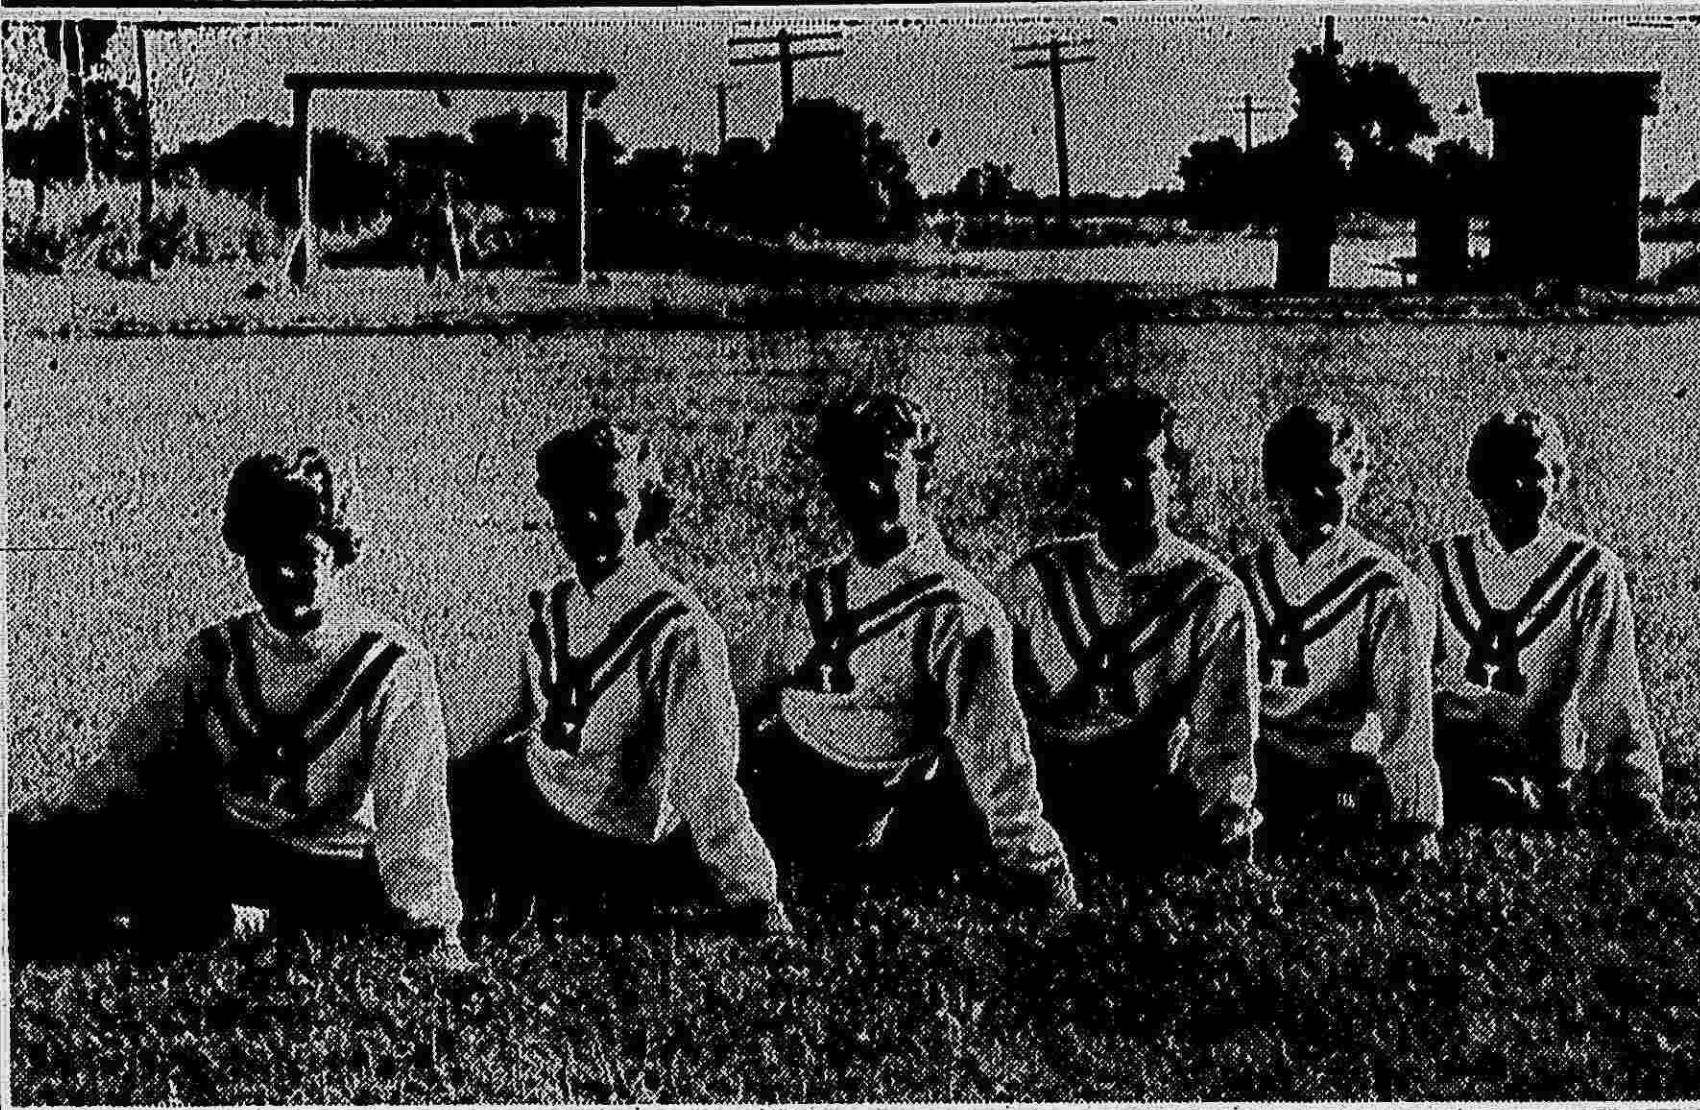

How shall the young secure their hearts,  
And guard their lives from sin?  
Thy Word the choicest rule imports,  
To keep the conscience clean.  
When once it enters in the mind,  
It spreads such light abroad,  
The meanest souls instruction find,  
And raise their thoughts to God.  
'Tis like the sun, a Heavenly light,  
That guides us all the day;  
And, through the dangers of the night,  
A lamp to lead our way.  
Thy Word is everlasting truth;  
How pure is every page!  
That Holy Book shall guide our youth,  
And well support our age.

— Isaac Watts

"For the commandment is a lamp;  
and the law is light; and reproofs of  
instruction are the way of life."

— Prov. 6:23

## Three Big Cheers for Six Lovely Lasses

No matter what the fortunes of the Antioch Sequoia this fall, fans will have plenty to cheer about. These six Varsity Cheerleaders, full of enthusiasm and beauty, will set the pace for Antioch's cheering section at Wauconda Saturday night. They are, from left: Jill Gaston, Sharon Dittman, Elaine Christensen, Charleen Kaufman, Judy Maleck and Lynn Veenenmeyer. Home folks will get their first chance to see the Sequoia and these lasses Sept. 27.

Catching up on the information concerning a national Boy Scout-fire department home and fire safety campaign are Chief Ed Simonsen and Deputy Chief Charles Maplethorpe. They also saw new fire fighting equipment in Winnetka last week.

## New Snow Plow Will Permit Speedier Work In Clearing Streets

Antioch highway workmen will have an easier time removing snow from Antioch streets this winter as the result of the purchase of a new snow plow with an electric control and an extra electric control for the old plow.

The new plow is larger and will speed the work.

The H.R. Lyons Equipment Co. of Chicago was the successful bidder over two competitors, the Frandsen Co. of Grayslake had equipment that was too light for village usage and the Chicago firm outbid Olson Implement Co. The contract was let in a special Village Board meeting Friday night.

There was only one bid on the contract to remove sludge from the village's sewage disposal plant. R. E. Lasco asked \$12 per 1,000 gallons under 10 loads and \$10 for more than 10 loads.

The beds are now dry, but the sewer committee was empowered to have Supt. Edgar Simonsen deal with Lasco on this basis should the need arise.

The Board is advertising for bids on a heating plant for the village garage. It is asking for an oil-fired hot air furnace.

Work on the re-surfacing of certain Antioch streets has been completed to the point of seal coating.

## Volunteers Badly Needed For Red Cross Work; Sept. 28 Service Week

Sept. 15—An acute lack of volunteers from Lake County for Red Cross work has prompted the County chapter to proclaim the period from September 28 to October 3 as Red Cross Volunteer Service Week. The proclamation was issued Monday by Arsen J. Denoyer, chapter chairman.

"The story of the American Red

## Famous and Local Artists Display Works

Bright sunny skies helped bring out finest detail in the art pieces of Pierre Nuytens, world famed artist, and local artists of the Antioch Brush and Palette Club. The open air display on the plaza of the Record Nook last weekend drew good crowds among Antioch art lovers.

Cross throughout its history is essentially a story of volunteers," Denoyer said. "Only with the full support of everyone and the volunteer services of many, will we be able to fully carry out our mission of rendering aid wherever and whenever it is needed in Lake County."

A highlight of the week's activities will be a "get together" tea for prospective volunteers which will be held in the Hilton Lounge of Barat College in Lake Forest on September 30 from 1 to 3 p.m.

Honored guest and speaker at the affair will be Congresswoman Marguerite Stitt Church. Mrs. Church, who is representative to Congress from the 13th district, has always been a strong advocate of Red Cross work.

Anyone interested in Red Cross work is invited to attend the tea. Men and women, from age 16 on, are needed for various jobs, according to Mrs. John J. Connelly, 648 S. Waveland, Lake Forest, who is chairman of the chapter's Volunteer Services committee.

"Our greatest need at the present time is volunteers for the Gray Ladies," Mrs. Connelly said, "at least 100 are needed to service the

U. S. Naval Hospital at Great Lakes and the Veterans Administration Hospital at Downey, which care for thousands of servicemen and veterans annually."

In addition, the Lake County Gray Ladies serve at the Lake County General Hospital in Waukegan, the Lake County Home for the Aged in Libertyville, and at the Dispensary at Fort Sheridan.

Opportunities also are open for volunteer weekend, evening, and daytime service in other branches. These include the motor and canteen services, staff aides, production workers, arts and skills, and entertainment and supply.

Persons who are interested may obtain further information by calling Mrs. Connelly at Lake Forest 2817 or the chapter office in Waukegan at Ontario 2-4044. Collect calls will be accepted.

### IMPROVING THE TV

Don't keep your old picture tube in the TV set until it's completely dead. Those last hundred hours in the life of a picture tube can give you some pretty bad eye strain and displeasure, and spoil your viewing. Often, this last period comes on so smoothly that you aren't even conscious of it. But notice the sharpness disappearing and the distortions. These very well could be signs of a picture tube wearing out.

We change many picture tubes in our servicing at **ECONOMY TV** on Rte. 173, one mile west of Antioch and almost always, the customer will remark about the clarity of the new picture. This is because we use only the very top-grade tubes of latest design for your individual type set. Actually, your picture will be better than when your set was new. Phone Antioch 1434 today about this service.

### SHOCK NUISANCE

Those annoying shocks you pick up on your finger tips when you touch metal after sliding across your auto seat is 'static electricity' build up on your skin from two different fabrics rubbing against each other. If you want to avoid them, hold onto some metal as you get into seating position; this dissipates the electricity as fast as it forms.

The shock you get touching the door handle entering the car is electricity build up by tire friction. For this remedy drive in at JOE & DON'S TEXACO SERVICE at 970 Main St. and we can attach a static strap under the car. This will help prevent static in your auto radio, too.

## Miss Arlene Catardi is Bride

A double ring ceremony at St. Peter's Catholic church was the setting recently for the marriage of Miss Arlene Catardi, 421 Harden street, to Arthur Hanke of 441 Orchard street, Antioch. The ceremony was performed by the Rev. Francis L. Johnson. Escorting the bride to the altar was Thomas F. Haley III.

The bride's floor length gown of silk taffeta and tulle was styled with a yoke and sleeves of Venise lace, the bouffant skirt ending in a sweeping chapel train. A small pillbox hat trimmed with sequins and pearls held her fingertip illusion veil. She carried a bridal bouquet of white roses.

Attending the bride as maid of honor was Miss Elsie Catardi, sister of the bride and Miss Joan Mair served as bridesmaid. They wore ballerina length dresses of green pea de crystal, trimmed with white imported Venise lace. They wore small hats with blusher veils and carried bouquets of white carnations and roses.

George Gilpin, cousin of the bridegroom served as best man and Royal Rockow ushered.

The bride is the daughter of Mr. and Mrs. Rudolf Karsten of 421 Harden street and the bridegroom is the son of Mr. and Mrs. Otto Hanke, Jr., 441 Orchard street, Antioch.

Both Mr. and Mrs. Hanke are graduates of the Antioch Township High school.

After a wedding trip in the East the young couple will make their home at Menomonic, Wis., where the bridegroom is attending Stout college.

### W. S. C. S. to Meet Friday

The Women's Society of Christian Service of the Methodist church will hold a meeting at the home of Mrs. Sam Ries, 267 Park Ave., at 1 p.m. Friday.

Mrs. Nellie Hanke and son, Leslie, Mrs. Ross Holmes and brother, Charles Dean, plan to leave Sunday for a week fishing at Middle Lake, McKenzie, Spooner, Wis.

## Helen Elizabeth Haeusl Weds P. E. Hansen

The Rev. W. H. Searsbeck performed the ceremony joining Miss Helen Elizabeth Haeusl and Peter Eugene Hansen on Saturday, September 6. The four o'clock wedding between the daughter of Mr. and Mrs. Frederick Haeusl, Rte. 4, Antioch, and the son of Mr. and Mrs. H. Peter Hansen, Rte. 2, Kenosha, Wisconsin, took place in St. Mary's Lutheran church, Kenosha.

The bride, given in marriage by her father, appeared in a floor length gown of lace fashioned with a sabrina neckline, long tapered sleeves. Her bouffant skirt ended in a chapel sweep. Her headpiece, fashioned of chantilly lace and seed pearls, held her fingertip veil of illusion. She carried a cascade bouquet of Amazon lilies and stephanotis trimmed with angel feathers, laccolin and ivy foliage.

Miss Virginia McNamara served as maid of honor and Misses Mary Hansen, sister of the bridegroom and Sandra Wilson were bridesmaids. Miss Betsy Boyington was junior bridesmaid. They wore floor length gowns of pink net over taffeta, trimmed at the bodice and skirt with white lace. They carried

cascade bouquets of pink and white carnations, trimmed with ivy foliage, laccolin and swiss braid. Serving the bridegroom as best man was Ernest Wise. Robert Hansen, brother of the bridegroom, Rodney White, Ricky Boyington, Brian Boyington and Bernard Nelson, were ushers.

Miss Elaine Boyington served as miniature bride, wearing a floor-length gown of white net over satin. She carried a basket arrangement of white carnations and ivy foliage. Mark Dixon served as miniature bridegroom.

The bride's mother wore a beige lace sheath dress, with brown accessories. Her flowers were pink and white roses. The bridegroom's mother was attired in a brown lace gown with beige accessories. Her flowers were pink and white roses.

A reception was held following the ceremony at the Conservation Club at Bristol, Wis. The newlyweds left for a wedding trip to the Lake of the Ozarks and will be at home to their friends September 14 at Rte. 2, Kenosha, Wis.

Both bride and bridegroom are graduates of Salem Central High school.

## 120 Attend P.T.A. At Antioch School; Willer is Speaker

More than 120 persons attended the first meeting of the Antioch Grade School P.T.A. Monday evening at which Richard W. Willer, Lake County Civil Defense director, was the speaker.

The program included a short film on tuberculosis presented by Mrs. Mary Brusk.

Mrs. Veda Winder's fifth grade class won first in the room count and the rooms of Miss Loretta Kuligowski and William Clayton tied for second.

The organization is seeking a greater attendance of parents of children in the Oakland district.

Mrs. Glenn Pierce is asking for volunteers as home room mothers.

Refreshments were served by the eighth grade room mothers, Mrs. Art Meyer, Mrs. Homer White, and Mrs. Charles Wysoglad.

## Miss Irene Bosman To Tell of Tour of European Countries

Miss Irene Bosman, teacher-librarian at Central High School, Salem, Wis., has been invited to give a talk to the World History class concerning her recent tour of eleven European countries.

Miss Bosman crossed the Atlantic via the ocean liner, "Isle De France," the first week in July. She was a member of a travel tour group of thirty Americans from various states whose itinerary included the following countries: England, Holland, Belgium, Luxembourg, West Germany, Liechtenstein, Austria, Switzerland, Italy, Monaco, and France. Also included was a three-day visit to the World's Fair at Brussels, Belgium.

On the return trip to the United States by plane during the latter part of August, stops were made in Ireland and also in Newfoundland, Canada.

Miss Bosman reports having experienced a most fascinating and educational trip filled with many interesting highlights.

## Grass Lake Meeting Well Attended for Open House Program

The first meeting of Grass Lake PTA on Monday evening was well attended by parents who enjoyed the open house type program. Mrs. Wilbert Schaefer, president, introduced the new officers and chairmen and all new parents attending rose and introduced themselves.

Members learned that there will be a forthcoming bake sale Oct. 4 in the Lyons Ryan Ford Garage.

The projects committee was appointed with Mrs. Collie Golden, school principal, acting as chairman, to investigate the needs of the school for the PTA.

Cub Pack 80 presented the PTA a charter as its sponsoring organization. Harry Jesse, district commissioner for the B.S.A., spoke on the work necessary to keep up the operation of the pack and urged parents to offer their assistance. He presented Scouters certificates to all those who will work with the pack this year as leaders, den mothers and committeemen.

The presentation of the colors was done by Pack 80 Cub scouts. After visiting with teachers the parents enjoyed refreshments served by the eighth grade mothers with Mrs. Irene Fitch in charge.

## Order of Cooties Plans Public Dance Sept. 27 At Antioch VFW Hall

The Military Order of Cooties—Ho-Tai Pup Tent No. 67 of Round Lake will hold their third annual anniversary dance at the Antioch V.F.W. hall on Main street at 9 p. m. Saturday, Sept. 27.

Music by Don Pacertis' orchestra. Tickets may be had from Commander Gras, or Quartermaster Dr. Bywell of the Antioch V.F.W. post, or A. L. Kersten, M. O. C. hospital chairman. Tickets will also be on sale at the door the evening of the dance.

The Military Order of the Cooties is the honor degree of the Veterans of Foreign Wars. Ho-Tai Pup Tent of Round Lake consists of members from the numerous V. F. W. posts throughout Lake County.

It is a fun loving group whose only objective is hospital work at the various Veterans Hospitals. Their slogan is "Keep 'em Smiling in Beds of White."

Ho-Tail Pup Tent No. 67 of Round Lake holds a hospital party every second Sunday of the month at Downey V. A. Hospital. Besides gifts of cigarettes, candy, ice-cream, etc., they entertain the disabled vets for a few hours—breaking the monotony of the long days, weeks and months of confinement.

All proceeds from this dance will be used to continue and further their hospital work.

### Press Club to Stage By-Liner Ball Sept. 25

The Lake County Press Club's first annual dinner-dance—the By-Liner Ball—will be staged on Thursday, Sept. 25, at Hank's Supper Club on Skokie Highway, Rt. 41, just north of Belvidere road.

In addition to the prime beef dinner and dancing there will be a big floor show. Josh Brady, who stars on his own WBBM-CBS radio shows, will be emcee. Bill Lawrence, vocalist formerly on Arthur Godfrey's shows, will be on hand as will Connie Mitchell, heard every day on Josh Brady's show; and Roberta Spaller, who sang last week on Ed Sullivan's all-Navy program.

The floor show will also feature Brooklyn comic Al Stanley and George Walderon, Milwaukee accordionist, and other headline acts.

Tickets are still available through members of the Lake County Press Club. Or reservations may be telephoned to William Schroeder, president, at the Grayslake Times, BA-3-8161; or Miss Maryann Robertson, secretary; Tom Schroeder, treasurer; or Ross P. Game, all at the News-Sun, Delta 6-1111.

## Salem Central to Play Geneva Friday Night; Loses Oak Creek Game

Salem Central High School hopes its defensive football problems have been licked after intensive practice this week and the faithful will have their chance to see when strong Geneva High School comes to town. The game will be Friday night at 8 on the Salem field.

Coach Roger Terry still doesn't know what happened in the second half of last week's 37-14 loss to Oak Creek. Franklin of Milwaukee. Everything was sailing smoothly with Salem leading 14-6 at the half, then "the roof caved in," Coach Terry said. Six fumbles were recovered by Oak Creek and three were converted to touchdowns.

This week has been spent on defensive work, especially on beefing up the ends where most of the damage has been wrought in Salem's first two games. This is not to say that offense has been forgotten for Coach Terry can't forget that his charges pounded out 137 yards by rushing in the first half last week, then gained only 12 in the second period.

Stars of the first half were Rick Thomas, the senior fullback, and Andy Aguero, the sophomore quarterback. Thomas picked up Salem's two scores in a 65-yard run and a three-yard plunge.

Coach Terry said he feels the team will have met and conquered a major objective if his eleven can beat highly touted Geneva. Bruising Harvard High last week topped Geneva 26-0. The coach explains that it was Geneva's first game and Harvard is mighty strong with 19 returning lettermen. But if the defensive problems have been overcome, Geneva can be beat, Coach Terry feels.

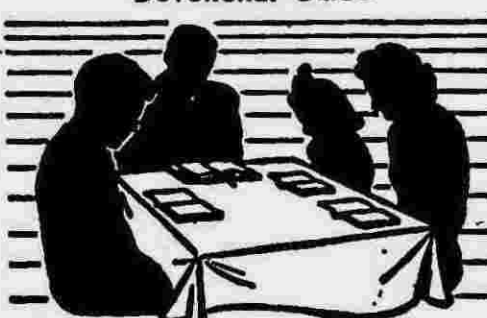

## Martha Kursch, 66, Buried Wednesday

Mrs. Martha Kursch, 66, Cedar Lake Park Subdivision, Lake Villa, died September 12 at the Lake County General Hospital. Mrs. Kursch was born March 20, 1892 at Landsberg on the Water, Germany, coming to America in April, 1929, settling in Chicago, where she and her husband operated a butcher shop and grocery. They came to Lake Villa in 1942, where she worked at the Y. M. C. A. Camp at Lake Villa for 5 years, afterward she was employed at Allendale School for Boys and the Central Baptist Children's home. At the time of her death she was employed at St. Mary's at Mundelein.

Survivors include a brother, Wilhelm Wegener, two sisters, Mrs. Anna Haack and Mrs. Marie Haselback, all of Berlin, Germany. Her husband, Bruno Kursch, preceded her in death April 10, 1950.

Funeral services were held at 10:30 Wednesday at the Strang Funeral home. The Rev. Dale J. Van Hovel of the Lakeland Baptist church officiated. Interment was in Irving Park Blvd. cemetery, Chicago.

## Today's MEDITATION

## The Upper Room

Read Revelation 14: 1-7

God is a Spirit: and they that worship Him must worship Him in spirit and in truth. (John 4:24.)

Only human beings practice worship, for the longing of the spirit toward the Supreme Being is characteristic of them only. Worship is the breath of man's soul and his most valuable prerogative.

This worship is practiced both by the individual in solitude and by the group in a communal service. Whatever the methods of worship may be, God alone must be the center of worship, for He alone is worthy of our praise and adoration.

God abides forever. Whatever else we adore, be it beauty or ambition, possessions or friends, these, like the heavenly bodies, set and disappear. God remains. Jesus, the son of God, remains, for He is the same yesterday, today, and forever. In Him we find redemption from our sins. In the Holy Spirit's abiding presence we have a faithful guide.

**PRAYER:** Almighty God, cleanse the thoughts of our hearts. May we continually worship Thee and perfectly love Thee through Jesus Christ our Lord, who taught us to pray, "Our Father who art in heaven... Amen."

**Thought for the Day:** Let us worship God in spirit and in truth.

## Illinois Tax Facts

Municipalities of the United States were using red ink, the Taxpayers' Federation of Illinois commented today in reviewing the financial picture of city governments during their fiscal years that ended in 1957. Comparisons of major income and outgo figures, as compiled by the U. S. Department of Commerce, Bureau of Census, shows that:

General revenue was less than general expenditures by \$381 million, or 4 per cent;

General borrowing exceeded general debt redemption by \$734 million, or 80.1 per cent;

General revenue and general borrowing combined were greater than general expenditure and general redemption by \$353 million, or 3.4 per cent.

Although there was an increase of \$723 million in general revenue for 1957 over 1956 for the more than 17,000 municipalities in the United States (more than any previous annual increase), general expenditures rose at a greater speed for the same period.

Property taxes, continuing as the predominant revenue source for municipal governments, yielded \$4,251 million in 1957, or 8.7 per cent more than in 1956. However, collections of sales and gross receipts taxes continued to increase at a greater rate than property tax revenue, totalling \$601 million in 1957 as against \$521 million in 1956 and \$433 million in 1955.

On the spending side of the ledger, expenditures for municipal services in 1957 also set a new record. For instance, expenditures for highways in 1957 amounted to \$1,323 million, or 11.8 per cent more than in the previous year. Expenditures for sanitation, third ranking municipal function, totalled \$1,150 million in 1957, or 8.3 per cent over 1956. City spending for police and fire protection was also up.

In Illinois, there are 26 cities with population over 25,000 serving approximately 5,000,000 residents. These cities had a general revenue income of \$355,961,000 in 1957, but a total expenditure of \$407,404,000. Property taxes and sales taxes were the principal revenue producers, while highway building and police protection ranked one-two on the city expense page.

Thus, some municipalities, like the Federal and many State governments, have an unbalanced financial scale. Two ways to help balance it are: (1) Restraint on the part of the public in demanding more services; and (2) A firm stand by municipal officials in resisting expenditures for non-essential purposes. "I'll take less from government if government takes less from me" is a good slogan to follow.

## Antioch High Omits Scholarship Qualifying Tests For This Year

Antioch Township High School seniors will not take the scholarship qualifying test this year, Frank Denison, guidance coordinator announced.

Students in this area can qualify for only a very few scholarships.

The data received from the test does not add much to predictive material the school has already accumulated on each student, Denison said.

Furthermore, he said, the high school no longer has room in which to give tests of the duration of this test in small groups.

## Catherine Koenig, 69, Rural Lake Villa, Dies

Catherine Koenig, 69, R.F.D. 4, Sprucewood lane, Lake Villa, died Tuesday at St. Therese Hospital, Waukegan following a cerebral hemorrhage. She lived in Chicago and Elmwood Park before moving to Lake Villa a year ago. Funeral mass was said this morning at St. Celestine's church, Elmwood Park. Burial was in St. Joseph Cemetery, River Grove.

Surviving are a son, Ernest L. Koenig; two daughters, Jeanne Bayer and Mrs. Harriet Dirksen of Lake Villa.

## U. of I. Food Report

### Chicago Retail Food Markets Week of Sept. 15-20

CHICAGO—Cool weather demand builds pressure under all roasts as consumers switch to heavier fare. The faster movement in channels clears market backlogs and firms wholesale and retail prices.

At the same time, low-cost beef in all other classes also tends to strengthen to reach slightly higher cost levels. This is offset to consumer advantage by lower prices for selected pork, lamb, veal and poultry. Fresh and cured pork in particular will be improved relative values by the week's end.

In this relative repositioning, prices on beef roasts and some other beef items increased just enough (while other meats dropped) to warrant exemption from the weekly market value rating by the University of Illinois consumer service food survey. On the U of I value list, for the week ending Sept. 20, appears pork roasts, spare ribs, bacon, hams, lamb shoulder roasts and chops, and fryers, turkey and stewing hens.

It should be noted that while showing lower prices, veal (slightly improved in quality) is still short supplied and not considered a clear-cut market value from a general availability standpoint. Cattlemen are holding vealers (slaughter 32% below year-ago) because of the excellent abundant feed-low cost ratio, enabling them to rebuild herds. This indicates another peaking cattle population by 1960, probably with new low beef costs at that time.

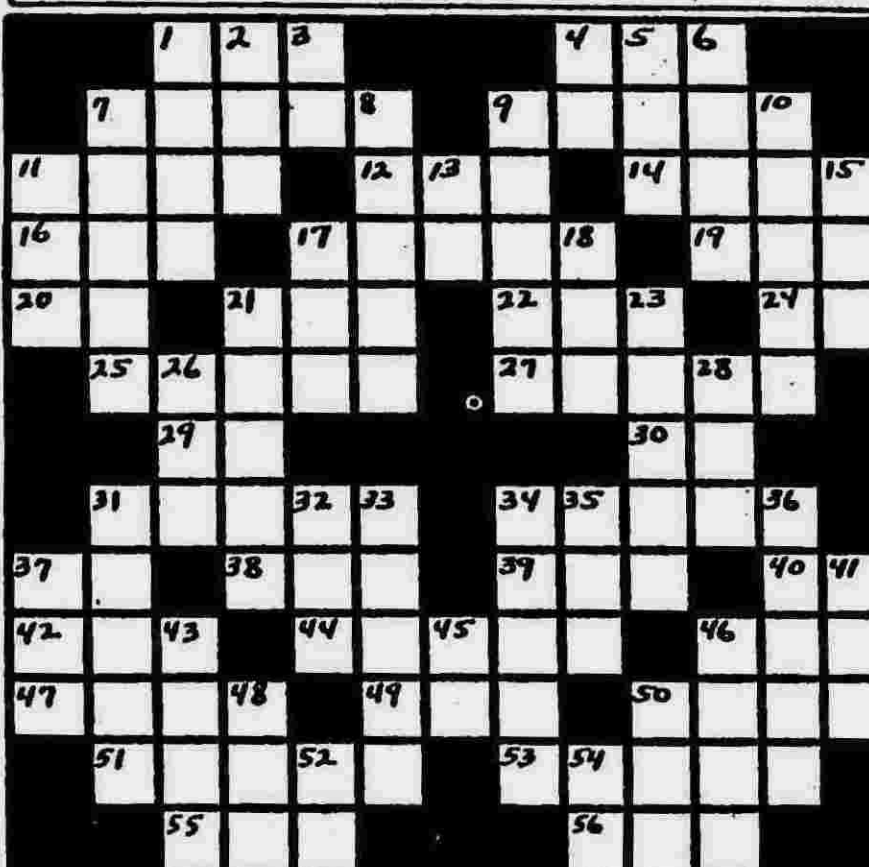

Expected hog arrivals account for the improving pork values, such as 49-55c for fresh Boston butts and 75c for smoked. Government purchase of poultry to the tune of one million pounds a week fail to dent the heavy production supplies, so that birds hold an undisputed consensus value position. For instance, consensus prices of 45c show for turkey, 35c for fryers, and 35-39c for stewing hens.

Produce values include Delicious and McIntosh apples, honeydew melons, cauliflower, sweet potatoes and cabbage. Cranberries herald fall arrivals of other items. Otherwise, produce markets are little changed, except to note that rains and early frosts begin to reduce nearby supplies, with higher prices for such items as cucumbers, lettuce, peppers, sweetcorn, snap beans and spinach.

At dairy counters, processed cheese and eggs warrant a special

The Antioch News and Antioch Theatre invite John Evans, P. O. Box 86, Salem, Wis., and one to attend Sunday, Monday or Tuesday's showing of "The Fiend," at the Antioch Theatre.

note this week. Lower retail costs seem overdue on the cheese lines, following high milk production of early summer. Some stores report this week a retail drop for a few processed lines from 35-39c to 29-33c noted for 8 ounce packages. Meanwhile, as small eggs at 29-33c continue as values in this category, large size seems to have their peak at 59-63c for this season and are due to slide off within the next few weeks. Butter continues higher.

## Antioch Wilmot Tie.....

(continued from page 1)  
possession of the ball at midfield and with three plunges by Pyle and a short pass the ball again was on the Wilmot 27-yard line. Then Pyle pounded through to a touchdown. He kicked the extra point, and the score stood 20-19 Wilmot.

At this point with 3 1/2 minutes to play, Wilmot moved into Antioch territory. Quarterback Greg Bush ran around right end for 10 yards and a touchdown. A plunge for the extra point failed. Score 26-19.

On the first play after the next kickoff, Pyle crashed the Wilmot line and kept on going 64 yards for his third touchdown. And as he kicked the extra point, the Panthers saw their victory disappear. Their futile pass attempt left the score a tie 26-26.

After the game Pyles said that he appreciated those blocks that Wozniak, Davis, Mitchell and Dresel threw for without them he wouldn't have gone far.

Coach Walther said his men lived up to their name—the Fighting Sequoias, for they showed a fine fighting spirit and a determination not to be beaten.

At Wauconda the sophomores will play the Ribbo underclassmen at 12:30 and the varsity game will start at 2:30 p. m.

## Petite & Grass Lk. News

Mrs. Earl Beese—Antioch 532-WJ  
Mrs. Walter Johnson—Antioch 405-MJ  
Correspondents

All the children using the bus for the Grass Lake School are really appreciating the efforts of the school board, which made the bus possible this fall. Several humorous incidents have occurred at the various stops. At Yopp's Farm, where about twenty board the bus, there was quite a bit of excitement caused when the Johnson family's dog Becki decided to sample Brandon Schaefer's lunch. That will be a lesson to all not to leave their lunch on the ground. At Maleck's down on Indian Point, all the children gathered, including a couple of faithful dogs, "Mickey" Luchetti and "Susie" Goetz. As the bus filled doggie "Mickey" hopped in with the last passenger. Driver Smith said, "One too many," and opened the door for Mickey to leave. Mrs. Marion Martin, standing nearby, coaxed him out. The dogs stood sadly watching the bus drive away and were probably thinking, "It isn't a Dog's Life anymore."

Another mass family camp out was enjoyed by the following families two weeks ago: The Lester Hribars, the Colie Goldens, the Herb Meyers, Russell Halversons, Bob Harts, and bachelor scoutmaster for Troop 80, Willard Ratz. They all loaded up their camping gear and went about 180 miles northwest into Wisconsin to Roche A Cri State Park. All told there were 19 of them, but Herb Meyer took the honors for fishing because he caught two northerners. Fishing was fine in the Pentenwell Flowage on the Wisconsin River. Needless to say, a good time was had by all.

Bill Hart writes home to his folks that things are just fine at his new place of residence, Western Illinois University, Macomb, Ill. Naturally Mom and Dad, Amy and Bob Hart are glad to hear this. Best of luck, Bill.

Dorothy and George Mazzuca of

Petite Lake were recently visited by an old friend, Mrs. Doris Pringer from Monrovia, Calif. Doris and her late husband were formerly residents of Bluff Lake, and she visited with several friends in the vicinity. Upon arriving home in California she found she had become a grandmother, as her son and wife had had an expected arrival. Friends who remember Mrs. Pringer may be happy to hear this news.

On Tuesday, Sept. 16, Brownie Troops 11, 29 and 33 of Grass Lake and the fly-ups to Girl Scouts took a field trip after school to the Lake County Museum at Wadsworth, Ill. Leaders who accompanied them were Mrs. Bea Schwab, Mrs. Kay Hjalvorsen, Mrs. Charlotte Queen, Mrs. Marie Nemec and Mrs. Barbara Mitchell.

HELEN GRAVES  
EL 6-6012

The Lindenhurst Garden Club held its meeting at the Men's Club house Sept. 8, with an attendance of 30. Final plans were discussed for the card party to be held Sept. 22 at the club house at 8 p. m. Everyone is welcome. Refreshments will be served.

It was voted to have the last two meetings in October and no meetings will be held until the following March. Cards will be sent to notify members of the date. A social hour followed the business session, with refreshments of ice cream, cake and coffee. Slides were shown of the Aug. 10 flower show.

Jean Flanagan, daughter of Mr. and Mrs. Theo Flanagan, was guest of honor at a family birthday party Saturday, Sept. 13 in honor of her fourth birthday. Those helping to celebrate were grandparents, Mr. and Mrs. Frank Bruner, Chicago, Mrs. Ruth Moore and children, Evanston, Mr. and Mrs. Frank Adante and children, Chicago.

Battle ribbons for the week go to Greg Pawlowski, the 4-year old son of Mr. and Mrs. Chuck Pawlowski, who fell and broke his collarbone.

Evelyn Krakowski, chairman of the rummage and bake sale sponsored by the Woman's Auxiliary to the Lindenhurst Men's Club Sept. 12-13 wishes to express her thanks for donations and to the committee members and all who helped in making this event a success.

Mr. and Mrs. John Selzer and children were guests Tuesday evening in the home of his brother and wife, Mr. and Mrs. James Selzer at a supper party honoring their mother's birthday.

Happy birthday to Millie Caldwell, who will celebrate her birthday Saturday, Sept. 20.

Mr. and Mrs. Chuck De Somer will celebrate their wedding anniversary Saturday, Sept. 20.

Happy birthday to Steve Krakowski who celebrated his birthday Wednesday, Sept. 10.

The Lindenhurst Men's Club will hold its annual dance Saturday, Oct. 25 in the club house. The donation will be \$1.50 per couple. The dance starts at 9 p. m. and everyone is welcome to attend and join in the fun.

Steve Krakowski, chairman of the Lindenhurst area for the Lake Villa Rescue Squad fund drive is pleased with the generous response of the donors and the help of the collectors.

Happy birthday to Mrs. Zelma Bechtol who celebrated her birthday Sunday, Sept. 14.

Jeffrey Pawlowski, three year old son of Mr. and Mrs. Chuck Pawlowski, underwent surgery Tuesday, Sept. 9, in St. Mary's hospital, Chicago.

Sunday guests in the John Selzer home were Mr. and Mrs. Peter Selzer, Northbrook, Allen Molitor of Skokie, Keith Dailey and Paul Cooper of Chicago.

Mrs. A. Hart, Briar Lane, was the lucky winner of the 50 silver dollars in the Sears Roebuck drawing Friday.

Plan to attend the social evening held every evening in the Lindenhurst Men's Club, from 8:30 on. Scout News

With the opening of the new Scout year we will have added a new cub scout pack. It will be known as Cub Pack 84. It will be made up of boys living in the Lindenhurst and Venetian Village area. It consists of six dens, with about 37 boys participating in the pack.

The pack will be sponsored by the Lindenhurst Men's Club. They will permit the cub pack to use their club house for meetings and special events. They will also purchase a complete set of flags for the cubs. Mr. Harry Boal will serve as institutional representative.

The first pack meeting to be held will be on Wednesday, Sept. 24, at 7:30 p. m. in the Lindenhurst Men's club house. A full program is scheduled for this night. The program will consist of the invocation, introduction of the cub master, committee members and guest speakers and presentation of awards to the cub scouts. Also refreshments will be served.

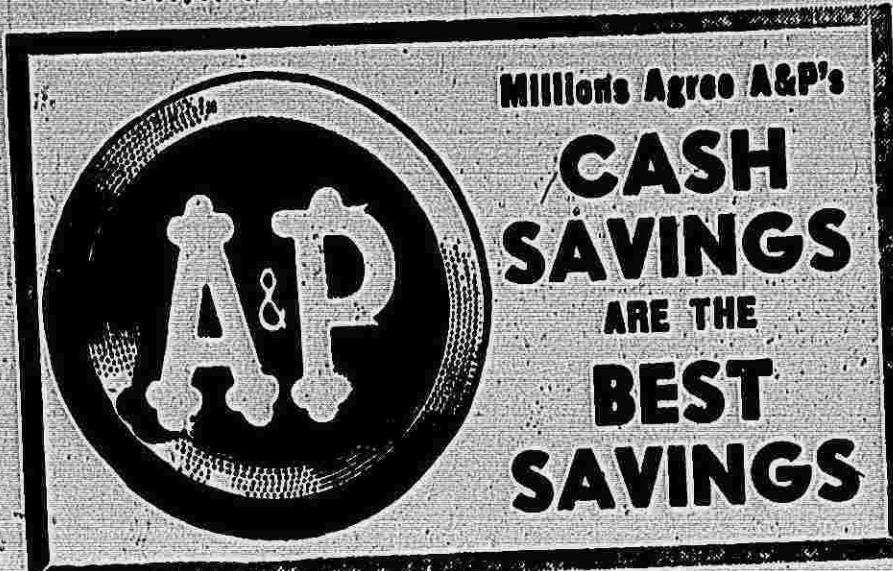

A cordial invitation is extended to all those living in the Venetian Village and Lindenhurst area to attend this first meeting and help the committee to get Pack 84 off to a good start.

## Fred Faassen to Teach Course on Retirement At Waukegan Y.M.C.A.

Planning for retirement will be one of the informal courses offered by the Central Branch of the Waukegan Y.M.C.A. this fall and winter and will be under the leadership of Fred Faassen of Abbott Laboratories.

Recognizing that the period of retirement is as important as any other period of one's life, the Y.M.C.A. Program Committee and the Industrial Supervisors Club of Waukegan-North Chicago decided to jointly sponsor the course.

Fred Faassen of Abbott Laboratories

The purpose of the Course is to help men and women who are approaching retirement age to think through the problems and opportunities of retirement. It will not be giving advice but assisting people in making plans for retirement and to look at adjustment toward retirement in a realistic manner.

Some of the subjects to be covered include: The challenge of late maturity, nutrition and health in later years, the physical side of aging, mental health, financial planning, getting the most out of leisure, where to live, and other pertinent subjects.

The course is open to men and women 55 to 65 years of age.

The course will run for twelve weeks. It will be held on Tuesdays 7-9 p. m., starting October 14.

Instructor will be Fred Faassen, manager of Special Services, Abbott Laboratories. He is well known in this area through his activities in his Church, the Chamber of Commerce, Rotary Club, and other civic affairs. Faassen trained as conference leader for this program at Chicago University and is presently conducting the program at Abbott Laboratories. He has studied retirement for several years.

## State Art Print Books On Display at Library

"Roses and Rabbits," a collection of Art prints from the State Library in Springfield, is being displayed at the Lake Villa Township Library.

Representing all schools of art from ancient to modern times, this collection includes such prints as Braque's "Still Life With Red Apple," Rivera's "Flower Seller," Van Gogh's "Boats of St. Marie's," Renoir's "Roses," and Chagall's "Rabbi of Vitebsk."

Mrs. Ted Belke, Librarian at Lake Villa, also has displayed a special shelf of art books for correlated reading. Adults and school children are enjoying and studying these prints and books.

Mrs. Belke also announces that she will have available for one month certain special interest new books from the State Library. Others may be secured by request. Examples of this month's selection are Belvian's "Exotic Plants of the World," Joyce's "My Brother's Keeper," Wood's "Bertrand Russell—the Passionate Skeptic," and Norbeck's "Book of Indian Life Crafts."

## Mrs. Katherine Kasting Made VAVS Chairman For Downey Hospital

A workshop for Veterans of Foreign Wars Auxiliary presidents, hospital chairmen and anyone interested in the VAVS program at Downey Hospital will be held next Wednesday in Building 1611, it was announced at a recent meeting of the Lake Villa Post Auxiliary. Registration will begin at 9 a. m.

A guided tour is planned for the afternoon. Members are requested to notify Mrs. Katherine Kasting, Downey Hospital chairman, P. O. Box 61, Lake Villa if they plan to attend.

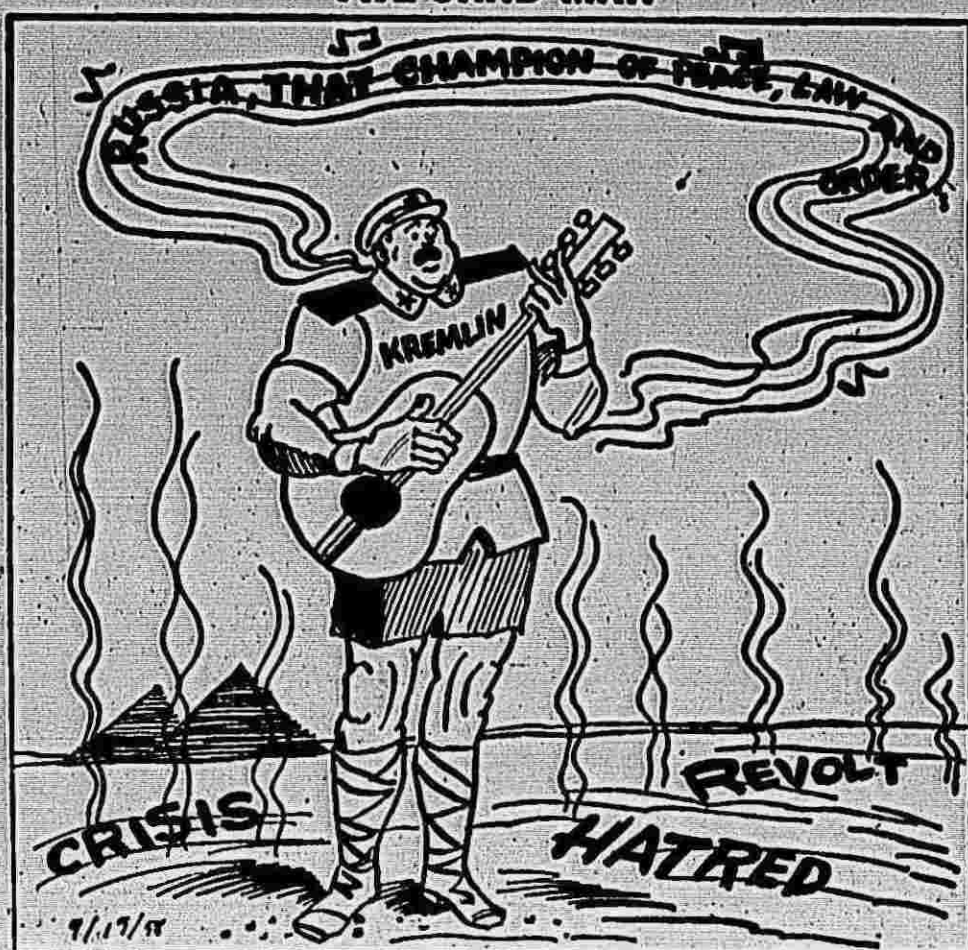

The Lake Villa auxiliary voted to contribute money for a kiln for the patients at the hospital.

Mrs. Kasting has been appointed by the V. F. W. State Department president, Mrs. Rose Capek to serve as Downey Hospital V.A.V.S. chairman.

Robert C. Boyd, special service officer, said Mrs. Kasting will have charge of planning parties, dances, and workshop meetings.

**Patient at Hospital**

## A.T.H.S. Boys Trio Entertains Women Of the Moose Lodge

The Chapter Night program of the Women of the Moose on Sept. 4 at the Antioch Moose Home was well attended. Fifty-two co-workers were present and saw three new members enrolled, Eleanor Koch, Dolores Navik, and Joan Barnes. The publicity committee with Mrs. L. F. Portalski as chairman, was in charge of entertainment. All present were entertained by a capable trio of local A.T.H.S. boys known as the "Jacks." They are Nick Ganzer, Jack Zeien and Hank Kubicki. Several toe-tapping tunes were played by the trio. Refreshments were served after the meeting.

The bus trip to Mooseheart on Sept. 24 still has reservations and any member wishing to go may call Mrs. Emogene Case (820) or Mrs. Jane Verkest (335-M-1).

The Mystery Ride will leave from Moose Home at 7:30 p. m. Monday and all attending will return there for refreshments. Members and guests are welcome.

The homemaking committee will sponsor a card party on Sept. 25, at the Moose Home. Refreshments will be served and again members and guests are welcome. The game will start at 8 p. m.

The bus trip to Mooseheart will leave from Antioch at 8:30 a. m. Wednesday.

## Laura Frasier Dies At Home of Son Roy, At Grass Lake Road

Mrs. Laura Frasier died Saturday at the home of her son, Roy W. Frasier at Grass Lake road, where she had resided for the last four years.

Besides her son, Roy, she is survived by her husband, Charles H. Frasier, a son, Donald C. Frasier, of California, a daughter, Mrs. Vivian Bohle of Ohio, and eight grandchildren.

The funeral service was held Tuesday at the Senne Funeral Home at Maywood and burial was in Glen Oaks Cemetery at Hillside, Ill.

## Star School District Inquires Possibility of Joining Central High

A committee from the Star School District made inquiry of the Central High School Board of Education at its meeting this week concerning the possibility of annexation by the school district.

The board in other business adopted a resolution to obtain a short term loan to meet current expenses, the amount not to exceed \$130,000. The bills for the month were ordered paid as presented.

Principal Allen H. Erickson revealed that the enrollment of 523 is about 100 more than at the completion of the school year last spring.

## May Apply Now for 1959 License Plates

The Chicago Motor Club reminds Illinois drivers that application forms for 1959 Illinois motor vehicle license plates have been distributed throughout the state by State Secretary Carpenter.

Car owners may apply immediately for next year's plates. Mailing new plates—on reassignment only—will begin Nov. 1. These plates cannot be displayed until Dec. 1, however.

Persons wishing to retain their present license numbers for next year must file their applications by Oct. 31.

Illinois' 1959 license plates will have white numerals on a brown background, honoring Quincy College.

**Back From Vacation Trip**  
Mr. and Mrs. John L. Horan have returned Sunday from a motor trip that took them to New Orleans, La., and then east to the eastern states, returning over the Chicago-New York toll road. They were away two weeks.

## Carl Goerlitz, 62, Dies After Long Illness

Carl Goerlitz, 62, Rock Lake Highlands subdivision, died Sunday, September 14, at 5 a. m. at the Lake County Tuberculosis Sanatorium in Waukegan, following a lingering illness.

He was born September 30, 1895 in Rostock, Germany. He came to America in 1925, settling in Chicago, moving to Lake Delton, Wis., in 1950, and from there to Rock Lake in 1955. He had maintained a summer home at Lake Catherine since 1932. He was a member of Antioch chapter Loyal Order of Moose, No. 525. He was employed as a shipping clerk at the Loon Lake Plumbing Company.

Survivors are his wife, Emma, two sons, Ralph C. of Chicago, and H. Joseph of Trevor, Wis., one sister, Mrs. Martha Doltim of Germany and two grandchildren, Susan and Patricia Goerlitz.

Funeral services were held at 1:30 Wednesday at the Strang Funeral home. The Rev. Wallace R. Anderson of the Antioch Methodist church officiated. Interment was in Ridge-wood Cemetery, Des Plaines.

## Gas Company Denied Additional Gas Supply

Northern Natural Gas Company's request of August 22 for a temporary certificate to supply Northern Illinois Gas Company with 50 million cubic feet of natural gas daily has been denied by the Federal Power Commission.

"Naturally we are disappointed," Marvin Chandler, president of Northern Illinois Gas, said, "but we are hopeful that during the next few months the FPC will hold the required formal hearings and act favorably on Northern Natural's original application filed last March 19 covering this project."

## Two Firemen Attend Winnetka Fire Talks

Antioch Fire Chief Ed Simonsen and Deputy Chief Charles Maples were in Winnetka last week to attend a meeting of the North Shore Area Council, Boy Scouts of America and the International Association of Fire Chiefs and Illinois Fire Chiefs organization.

Chief Simonsen discussed information relating to national Boy Scout-fire department cooperative projects for 1958. September and October have been designated as Home and Fire Safety months as part of the year's "Safety Good Turn" theme of the year.

The visitors saw the Winnetka fire station and equipment and were impressed with the Jeep fire fighters used for brush and large scale grass fire fighting.

"We certainly think Lake County fire departments are 'on the ball,'" they said.

## Girl Suffers Convulsions

The Antioch Rescue Squad took Faith Timme, 10, Lake Villa, to Condel Memorial Hospital, Libertyville, Tuesday afternoon after she suffered a convulsion in an Antioch office. Another call was received yesterday to give aid to a person residing in the Warner subdivision who suffered a heart attack. The patient was taken to Victory Memorial Hospital.

The Antioch News and the Lakes Theatre invite John Evans, P. O. Box 86, Salem, Wis., and one to attend Thursday, Friday or Saturday's showing of "The Attack of the 50 Foot Woman," "War of the Satellites," "Kathy O," and "Twilight for the Gods," at the Lakes Theatre.

Mrs. Ann Kopriva left Antioch on Tuesday for a visit with her sister at Fond du Lac, Wis.

## Applications Available For ROTC Program At Antioch High School

Applications are now available for the Navy's thirteenth annual competitive examination for its nation-wide Regular NROTC college training program, according to a recent announcement by the Navy Department. The mental examination is scheduled for December 13, 1958, and is open to all high school seniors and graduates who can qualify.

The deadline date for receipt of all applications is November 15, 1958, the Navy stated. Male citizens of the United States between the ages of 17 and 21 are eligible to apply for the Navy College Aptitude Test. Persons attaining a qualifying score will be given the Navy's rigid midshipman physical examination next February. From the pool of qualified candidates remaining in competition, approximately 1800 young men will be selected for appointment as midshipmen and will enroll in one of the 52 colleges of their choice where a Naval Reserve Officers Training Corps Unit is located.

The Regular NROTC is maintained for one purpose—to train and educate young men for ultimate commissioning as career officers in the Navy and Marine Corps. Successful candidates will start their Naval careers in colleges and universities across the country in 1959. After a normal college education and substantial Navy Training, graduates will be commissioned as regular officers in the Navy or Marine Corps, for active duty with the United States Fleets, throughout the world. For those who qualify and apply, assignment to flight training will open new careers in naval aviation.

In addition to the normal college curriculum, midshipmen in the Regular NROTC will study a planned course in naval science. All tuition, fees, and books will be furnished by the Navy, plus an annual retainer pay of \$600 for a maximum of four years. Regular NROTC midshipmen will spend part of three successive summers on training cruises with various Fleet units.

Applications for this program leading to a career in the naval service are available from Frank Denison, coordinator of Guidance at Antioch Township High School, or from the nearest U. S. Navy Recruiting Station.

Mr. Denison has been provided with specific information concerning the NROTC program and will furnish information bulletins to any interested student.

## Look for this sign!

**Be sure the home you buy offers the modern electric living this sign guarantees**

Every 100 PLUS HOME has the kind of HOUSEPOWER you want and need to run the appliances you have now, will want in the years ahead. And you start cooking the clean, cool modern electric way when you move into a 100 PLUS HOME. (A new electric range is installed and included in the price!) You'll find a 100-amp. fuse or circuit breaker box plus at least eight 120-volt circuits included.

**Don't take a chance—buy a 100 PLUS Home and Live Better Electrically!**
